This map has been greatly simplified, however is the best directions to the camp. Proceed north on Highway 13 from I-44 approximately 15 to 20 miles to 215 East. Cross over southbound 13 and continue to drive west. You will pass through Morrisville, Missouri, continue to drive until you reach JJ. Go left or south on JJ approximately 3 miles to Graydon Springs. There is a ranch style entrance with a gate. Please watch the gate closely as you enter or exit the camp because of horses or cattle that may be grazing in the adjacent fields.
